

## CAREER OVERVIEW

# ELECTRICAL POWER-LINE INSTALLERS & REPAIRERS

## SOC 49-9051

Electrical Power-Line Installers and Repairers build, maintain, and repair the power lines that keep electricity flowing to homes, businesses, and entire communities. They install and repair wires, poles, and cables, often working outdoors and at great heights to restore power after storms or upgrade equipment. It's a physically active, hands-on career that is key to keeping the lights on, technology running, and communities safe.
